

CRAFTING OUR MEMORIES

Remembering Our Loved Ones During the Holidays

Ranea Hasstedt of *Scrap 2 It* in Fort Collins has put together a special afternoon of crafting with Georgia Robertson who is a licensed professional counselor, specializing in grief and bereavement, with Halcyon Hospice. **Georgia will provide materials and coping suggestions for remembering your loved ones this time of year.**

After the loss of a loved one, it is especially important to take care of yourself during the holiday season, when most are focused on planning parties, decorating, and buying gifts.

For you, this can be a special time of quiet remembrance and gratitude for the gift of your loved one's presence in your life.

There is a \$10 fee to cover crafting materials. Please bring one to three pictures of your loved one with you. Join us!

THURSDAY • DECEMBER 14 • 1:00 P.M.
